Shop with Scrip— available at school and ONLINE!

Through the ‘Scrip’ program, gift cards are available to you for a large variety of stores where you and your family regularly shop.

When you purchase these cards through our **St. Matthew Parish & School Scrip Program** , you are supporting yourself and/or your family ‘tuition credits’, as well as our parish and school. **WIN, WIN, WIN!**

The St. Matthew Parish & School Scrip Program maintains a diverse inventory of retail and grocery store gift cards for many of your favorite places to shop.

New to our program is an ONLINE option for purchasing Scrip and having it downloaded to an app on your cellphone. Though there are many store selections, not all stores that we partner with have a download option. These gift cards are available at the Scrip Office.

Please visit **SHOPWITHSCRIP.COM** to enroll in the St. Matthew Parish & School Scrip Program . The code is **L9LLED691456**. You must enroll in PRESTO PAY to process payment for your purchases.

For help and/or follow-up inquiries once you have completed your enrollment and have confirmed payment through Presto Pay, please email our Scrip Program Account Manager at: **scrip.sms@gmail.com**.

Thank you very much for honoring St. Matthew Parish & School though your faith, commitment, and support. We are truly grateful!
